DEVELOPMENTAL DISABILITIES AWARENESS MONTH

“BEYOND THE CONVERSATION”

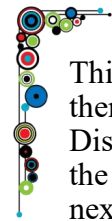

**CELEBRATING ADVOCATES DAY**

**March 03, 2023**

**7:30 am ~ 3:00 p.m.**

**World Resort ~ Taga Room**

This year, the CNMI Disability Network Partners has embraced the theme “Beyond the Conversation” in recognition of Developmental Disabilities Awareness Month. It is time to ask the question, “Once the conversations have taken place, what comes next?” What comes next is action. What are communities doing to create change? So, simply said, the time for talking is over, now it is time for us to act to create this change.....*so let’s start today!*

We are very pleased and honored that you have joined us today as we celebrate “Advocates Day”. We hope that the activities you join today will not only be fun, but that you will learn and share something new.
