"We are differently ABLED"

*Very Outspoken
Individuals Can
Each Succeed*

OUR PURPOSE:

- Support individuals with disabilities in speaking out and empowering each other.
- Enable decision-making and independence for people with disabilities.
- Educate communities to improve perceptions of individuals with disabilities.

- Advocate for equal rights, opportunities, and responsibilities for people with disabilities.
- Create a safe, supportive environment for people with disabilities to engage, take responsibility, and contribute economically.

"There is Ability in Every Disability"

EMPOWER

- Unite people with disabilities in the CNMI to advocate for their rights.
- Empower disability groups in the CNMI to fight discrimination and seek justice together.
- Promote equal treatment for people with and without disabilities.
- Foster self-advocacy skills and confidence.

ENSURE!

- Offer mentoring, networking, and educational opportunities for members.
- Support others by raising funds and securing resources in line with the organization's mission.

EDUCATE!
