

# VOICES of the CNMI

## Plain Language Program Brochure Information

---

### Meaning of VOICES:

**Very Outspoken Individuals Can Each Succeed**

---

### Our Mission:

**Empower. Educate. Ensure.**

We help people with disabilities speak up for their rights, learn new skills, and live more independently.

---

### Our Purpose:

VOICES brings people with disabilities together to:

- Stand up for their rights and fair treatment.
  - Build confidence and self-advocacy skills.
  - Teach communities to understand and include people with disabilities.
  - Create a safe, supportive place for members to share ideas and help each other.
  - Provide training, mentoring, and networking opportunities.
  - Work for equal chances in school, work, and the community.
  - Raise funds and gather resources to support members' goals.
-

## **Who We Are:**

We are people with disabilities from across the CNMI who believe in equal rights, shared strength, and the power of our voices.

---

## **Join Us:**
